Communication Errors

The table below lists the possible errors after running a function from the library.

Value	Error	Description
0	MATES_ERROR_NONE	Last command was completed successfully
1	MATES_ERROR_COMMAND_FAILED	The display failed to perform the last command
2	MATES_ERROR_COMMAND_TIMEOUT	The display didn't acknowledge the command in time
3	MATES_ERROR_RESPONSE_TIMEOUT	The display didn't send a return value in time
4	MATES_ERROR_NOT_INITIALIZED	The library hasn't been initialized yet
5	MATES_ERROR_SYNC_TIMEOUT	The synchronization attempt reached specified timeout
6	MATES_ERROR_SYNC_ERROR	Invalid active page or no reply received after sync
